

# MiniDisc Remote Indicator

## FUNCTION

The MiniDisc remote indicator is a light-weight, compact indicator for use in fire protection systems.

The indicator may be used in all installations incorporating Apollo detectors, including Series 60, XP95, Discovery and I.S. detectors.

## FEATURES

The MiniDisc remote indicator is only 20mm high and 80mm in diameter. It comprises two parts – the base which is installed onto a wall or soffit and the lid which is fitted to the base with a bayonet lock.

An anti-tamper screw in the lid locks the unit together.

Two pairs of keyholes are provided – one for 50mm and the other for 60mm fixing centres.

## ELECTRICAL CONNECTIONS

**Part no:** 53832-070

## Detector Range

Series 60  
Series 60 Intrinsically Safe  
XP95  
Discovery  
XP95 Intrinsically Safe

## Connections
